Backup verification codes 1. 595 84 918 6. 296 08 287 2. 967 59 116 7. 423 46 479 3. 923 09 123 8. 162 39 759 4. 826 12 964 9. 080 93 748 5. 587 13 305 10. 819 95 599 Printed: April 19, 2011 8:53:57 PM PDT

Keep these codes in a safe place (like your wallet) that is accessible whenever you're using your computer or mobile phone. Each code can be used once.

If you generate backup codes again later, be sure to throw away any previous versions. Only the latest set of codes will work.
